NOTICE TO THE 2023 BAR APPLICANTS

Re: AVAILABILITY OF EXAMPLIFY MANUAL FOR THE
2023 BAR EXAMINATIONS

Please be advised that the comprehensive manual entitled “Using Exemplify”, or the **Exemplify Manual**, is now available on the 2023 Bar Examinations microsite.¹

The Exemplify Manual contains instructions, information, and tips on using and navigating *Exemplify* for the 2023 Bar Examinations, such as changing the default font, taking the examination, and submitting the examination. Additional reminders and the policy on laptop use are likewise included in the Exemplify Manual.

As previously instructed in Bar Bulletin No. 5, Series of 2023,² examinees must diligently read the Court’s announcements and abide by them to gain practical information and minimize any difficulties, if not avoid them altogether, as the examinations approach.

Please be guided accordingly.
