Notice is hereby given of the answers to the queries of prospective bidders:

*Under Section VII. Technical Specifications - Branded and Brand New
Desktop Computers*

Certification	The supplier shall deliver any globally recognized brand of computer and has been marketed in the Philippines for the last ten (10) years	Widely recognized certification for global PC brands
----------------------	---	--

Query/ies	Answer/s
<p>1. We would like to clarify if this changed requirement in the bulletin require us to submit a Certification from a 3rd party entity like IDC or can we submit a certificate from the Manufacturer instead similar to the original requirement?</p> <p>2. May we also know what type of certificates are acceptable in the requirement "Widely recognized certification for global PC brands"? May we also know who will be responsible in issuing the said certifications?</p>	<p>The certificate should come from a third party and not from the manufacturer which is self-serving.</p>
<p>3. If the acceptable certificate will be issued by a third-party organization or company from abroad, please be advised that it will be digitally signed using electronic signatures and wet signatures are impossible to request.</p>	<p>A digitally signed certificate is acceptable.</p>
